

**FIRST Robotics Team 4909**  
**Billerica Bionics**  
**Billerica Memorial High School**

Dear Potential Sponsor,

We are Billerica, Massachusetts' FIRST® Robotics Competition (FRC) Team 4909. We are a small group of highly motivated Billerica Memorial High School students who, with the help of generous mentors, are seeking to educate ourselves through hands-on, direct experience in the fields of mechanics, electronics, robotics, and motion control software. Our team operates as a small business, giving us insight into fields such as marketing, sales, accounting, and media production, with an added emphasis on personal integrity and a smart work ethic. We are counting on these experiences to help us select a career path that will enrich our lives and the lives of those around us.

As an eighth-year team for the 2020-2021 FRC season, we are all for learning about engineering and building robots. Not only do we build award-winning robots and learn important lessons about engineering and teamwork, but we also spread the word of STEM (Science, Technology, Engineering, and Mathematics) and the message of FIRST: to bring technological opportunity and knowledge to every student, as well as cooperating while we compete, Coopertition™. We did very well in our competition this past year, winning our first event before the season came to an end. Despite the abrupt end to the past season, we have experienced consistent success, and believe our future is bright.

**Team History/Highlights:**

Qualified for **New England District Championship**- 2014, 2015, 2016, 2017, 2018, 2019

Qualified for **FIRST World Championships** 2015, 2018, 2019
